## **SWIZZLE**<sup>™</sup> Stool

TONIK

Swizzle is twisted, in a good way. Full of motion, the collection embodies both movement and perfect balance. Its easy-togrip ridges make it a breeze to carry and puts a new spin on seating.

| Model #                      | Height                                 | Width   | Base   | Weight                              |   |  |
|------------------------------|--|---|--------|-------------------------------------|---|--|
| SW16                         | 17″                                    | 18.1″   | 13.5″  | 11 lbs                              |   |  |
| Material                     | light st<br>approv<br>resista<br>compo | One-piece, rotationally molded, specially formulated, high-impact polyethylene with ultraviolet<br>light stabilizers (to reduce fading). The commercial-grade polyethylene material is also FDA-<br>approved, making it ideal for restaurants, food courts and entertainment facilities. Chemically<br>resistant to bleach, salt solution and chlorine solution. Premium TruColor <sup>™</sup> material is fully<br>compounded for superior color and quality assurance. Enhanced UV resistant formulation<br>suitable for both indoor and outdoor use. |        |                                     |   |  |
| Options                      | Illumina                               | Illuminated Version (Moonglow only)   |        |                                     |   |  |
| Environmental T<br>Standards |  | GREENGUARD and GREENGUARD Gold Certified by UL Environment.<br>Product certified for low chemical emissions to UL 2818. UL.COM/GG.  |        |                                     |   |  |
