

TONIK®

# JUX™ Cocktail Table with Molded Top

designed by  
Karim Rashid

A stretched, continuous shape folded and flared into being, JUX is an elegant interpretation of bar and dining sets. The collection is smooth and sculptural, while always conveying strength and durability for a range of environments. Deceptively simple at first glance, the JUX™ collection contains great complexity.

Model #	Height	Top Width	Base Width	Depth	Weight
JX41	39.8"	18"	15.6"	17"	18 lbs

## Material

One-piece, rotationally molded, specially formulated, high-impact polyethylene with ultraviolet light stabilizers (to reduce fading). The commercial-grade polyethylene material is also FDA-approved, making it ideal for restaurants, food courts and entertainment facilities. Chemically resistant to bleach, salt solution and chlorine solution. Premium TruColor™ material is fully compounded for superior color and quality assurance. Enhanced UV resistant formulation suitable for both indoor and outdoor use.

## Options

Illuminated Version (Moonglow only) / Bolt-down Plates

## Environmental Test Standards

GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.

## Performance Test Standards

Product tested to 500 lbs static load.

## Assembly

Ballast weighting required to validate warranty. Recommended 50 pounds of sand ballast. Not supplied by Tonik.

## Warranty

5 year limited replacement warranty.

## Maintenance

For routine and regular cleaning maintenance, Tonik recommends the use of Simple Green® or an equivalent cleaning product. For the deep-scrub cleaning of tougher stains, marks and debris, we recommend the use of Clorox® Clean-Up® Cleaner + Bleach or an equivalent cleaning solution.

**For maximum stability, this product requires 50 lbs. of added ballast.**

## Color

\*Available port for ballasting
